

Leaning on the Everlasting Arms

What a fellowship, what a joy divine
Leaning on the everlasting arms
What a blessedness, what a peace is
mine

Leaning on the everlasting arms

Leaning, leaning

Safe and secure from all alarms

Leaning, leaning

Leaning on the everlasting arms

What have I to dread, what have I to
fear

Leaning on the everlasting arms?

I have blessed peace with my Lord so
near

Leaning on the everlasting arms

Leaning, leaning

Safe and secure from all alarms

Leaning, leaning

Leaning on the everlasting arms

Lead me to the Cross

Savior I come

Quiet my soul, remember

Redemption's hill

Where Your blood was spilled

For my ransom

Everything I once held dear

I count it all as lost

Lead me to the cross

Where Your love poured out

Bring me to my knees

Lord I lay me down

Rid me of myself

I belong to You

Oh, lead me, lead me to the cross

You were as I

Tempted and trialed

Human

The word became flesh

Bore my sin and death

Now you're risen

Everything I once held dear

I count it all as lost

Lead me to the cross

Where Your love poured out

Bring me to my knees

Lord I lay me down

Rid me of myself

I belong to You

Oh, lead me, lead me to the cross

To Your heart

To Your heart

Lead me to Your heart

Lead me to Your heart

Lead me to the cross

Where Your love poured out

Bring me to my knees

Lord I lay me down

Rid me of myself

I belong to You

Oh, lead me, lead me

Lead me to the cross

Where Your love poured out

Bring me to my knees

Lord I lay me down

Rid me of myself

I belong to You

Oh, lead me, lead me to the cross

Trust in You

Letting go of every single dream
I lay each one down at Your feet
Every moment of my wandering
Never changes what You see
I've tried to win this war, I confess
My hands are weary, I need Your rest
Mighty warrior, King of the fight
No matter what I face, You're by my
side
When You don't move the mountains
I'm needing You to move
When You don't part the waters
I wish I could walk through
When You don't give the answers
As I cry out to You
I will trust, I will trust
I will trust in You
Truth is, You know what tomorrow
brings
There's not a day ahead You have not
seen
So in all things be my life and breath
I want what You want, Lord, and
nothing less
When You don't move the mountains
I'm needing You to move
When You don't part the waters
I wish I could walk through
When You don't give the answers
As I cry out to You
I will trust, I will trust
I will trust in You
I will trust in You
You are my strength and comfort
You are my steady hand

You are my firm foundation
The rock on which I stand
Your ways are always higher
Your plans are always good
There's not a place where I'll go
You've not already stood
When You don't move the mountains
I'm needing You to move
When You don't part the waters
I wish I could walk through
When You don't give the answers
As I cry out to You
I will trust, I will trust
I will trust in You
I will trust in You
I will trust in You
I will trust in You

There is Power in the Blood

Would you be free from your burden
of sin
There's power in the blood power in
the blood
Would you o'er evil a victory win
There's wonderfull power in the blood
There is power power wonder
working power in the blood of the
lamb
There is power power wonder
working power in the precious blood
of lamb
Would you be whiter much wither
than snow
There's power in the blood power in

the blood
Sin's stains are lost and it's life giving
flow
There's one flicker power in the blood
There is power power...
Would you do service for Jesus your
king
There's power in the blood power in
the blood
Would you lift David his praises to
sing
There's wonderfull power in the blood
There is power power...

Lord from Sorrows

Lord, from sorrows deep I call
When my hope is shaken
Torn and ruined from the fall
Hear my desperation
For so long I've pled and prayed
God come to my rescue
Even so the thorn remains
Still my heart will praise You
Storms within my troubled soul
Questions without answers
On my faith these billows roll
God, be now my shelter
Why are you cast down my soul?
Hope in Him who saves you
When the fires have all grown cold
Cause this heart to praise You
Should my life be torn from me?
Every worldly pleasure
When all I possess is grief

God be then my treasure
Be my vision in the night
Be my hope and refuge
'Til my faith is turned to sight
Lord, my heart will praise You
And oh, my soul put your hope in God
My help, my rock, I will praise Him
Sing, oh, sing through the raging
storm
You're still my God, my salvation
And oh, my soul put your hope in God
My help, my rock, I will praise Him
Sing, oh, sing through the raging
storm
You're still my God, my salvation

Praise the Lord

I remember when a long-lost sinner
met a good, good God
I remember when my heart was
broken, but now it's not
I've tasted and I've seen
You've been so good to me
From the moment that You changed
my life, God
You never stopped
I'm gonna sing it
I'm gonna shout it
I'm gonna lift my hands and praise
No matter what is gonna come my
way
All You've done for me
I give You the glory
From the valley to the victory

I know my God is gonna fight for me
So when the devil come try to get me
Gonna praise the Lord
When the devil come try to get me
Gonna praise the Lord
From the moment when the sun
starts rising 'til the sun goes down
I'm surrounded by a million mercies, I
can feel them now
I've tasted and I've seen (and I've
seen)
You've been so good to me (good to
me)
Got a melody inside my heart, oh
Here's a sweet, sweet sound
I'm gonna sing it
I'm gonna shout it
I'm gonna lift my hands and praise
No matter what is gonna come my
way
All You've done for me
I give You the glory
From the valley to the victory
I know my God is gonna fight for me
So when the devil come try to get me
Gonna praise the Lord
When the devil come try to get me
Gonna praise the Lord
In every high
In every low
My hope is found in Christ alone
And here on earth when I get home
My hope is found in Christ alone
And I'm gonna sing it
Come praise the Lord
Come praise the Lord (ooh, yeah)

Come praise the Lord
(Come praise the Lord)
I'm gonna sing it (come praise the
Lord)
I'm gonna shout it (come praise the
Lord)
I'm gonna lift my hands and praise
No matter what is gonna come my
way
All You've done for me (come praise
the Lord)
I give You the glory (come praise the
Lord)
From the valley to the victory
I know my God is gonna fight for me
So when the devil come try to get me
Gonna praise the Lord
When the devil come try to get me
Gonna praise the Lord
So when the devil come try to get me
Gonna praise the Lord
When the devil come try to get me
Gonna praise the Lord

Because He Lives

God sent His son, they called Him,
Jesus;
He came to love, heal and forgive;
He lived and died to buy my pardon,
An empty grave is there to prove my
Savior lives!
Because He lives, I can face
tomorrow,
Because He lives, all fear is gone;
Because I know He holds the future,

And life is worth the living,
Just because He lives!
How sweet to hold a newborn baby,
And feel the pride and joy he brings;
But greater still the calm assurance:
This child can face uncertain days
because He Lives!
Because He lives, I can face
tomorrow,
Because He lives, all fear is gone;
Because I know He holds the future,
And life is worth the living,
Just because He lives!
And then one day, I'll cross the river,
I'll fight life's final war with pain;
And then, as death gives way to
victory,
I'll see the lights of glory and I'll know
He lives!
Because He lives, I can face
tomorrow,
Because He lives, all fear is gone;
Because I know He holds the future,
And life is worth the living,
Just because He lives!

I'll Fly Away

Some glad morning when this life is
over
I'll fly away
To a home on God's celestial shore
I'll fly away
I'll fly away, oh, Glory
I'll fly away

When I die, Hallelujah, by and by
I'll fly away
Just a few more weary days and then
I'll fly away
To a land where joy shall never end
I'll fly away
I'll fly away, oh, Glory
I'll fly away
When I die, Hallelujah, by and by
I'll fly away
Yeah, when I die, Hallelujah, by and by
I'll fly away

Higher

I gotta try to do right when life's doing
me wrong
Gotta shake the dust off my feet and
keep marchin' on
When trouble weighs me down,
brings me to my knees
Lord, my needs are many, but that's a
pretty
Yeah, a pretty good place to be
Don't blame it on the preacher 'cause
the preacher done told
"The devil's got a target on my heart
and my soul"
But let me tell you, brother, what the
devil don't know
The lower I go, the more I'm gonna lift
you
Higher (higher) higher (higher) higher
I'm gonna lift you higher (higher)
higher (higher) higher

God Almighty, you are worthy
Higher (higher) higher (higher) higher
I may never get money, I may never
have fame
But if I'm ever in the spotlight, I'll
point it back your way
'Cause standing at the top was never-
ever my goal
But if you put me on a mountain then
I'll tell the whole world
Singing hallelujah 'til I hit the dirt, oh
I'm gonna lift you higher (higher)
higher (higher) higher
I'm gonna lift you higher (higher)
higher (higher) higher
God Almighty, you are worthy
Higher, higher, higher
Hallelujah, He is worthy
Hallelujah, He is good
Leave me in rags and ruins and I'll
praise You through it
Clothe me in glory and riches, I'll
praise You just the same
All that I have, all I've been given, all
of my life's ambition
Is to worship, is to honor, is to bring
You praise
I'm gonna lift you higher, higher,
higher
I'm gonna lift you higher, higher,
higher
God Almighty, you are worthy
Higher, higher, higher
God Almighty, you are worthy

A Better Yes

Lately, I've had a thousand closing
doors
That made me have to trust You even
more
Gotta just wait, gotta have faith
He's got something good in store
And every no means You've got a
better yes
Every "not now" gets me closer to its
best
Believe and You'll be leading me to
somewhere I'll be blessed
Every no means You've got a better
yes
Oh-oh-oh-oh, oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh, oh-oh-oh-oh-oh-oh
One thing I've learned; gotta live with
open hands (live with open hands)
Lifting offering of all my hopes and
plans
It can be hard, even break my heart
But I've come to understand
Every no means You've got a better
yes
Every "not now" gets me closer to its
best
Believe and You'll be leading me to
somewhere I'll be blessed
Every no means You've got a better
yes
Oh-oh-oh-oh, oh-oh-oh-oh-oh-oh
Oh-oh-oh-oh, oh-oh-oh-oh-oh-oh
All I want is what You want for me
You will meet my each and every
need

And I am sure of Your great love for me
Every no means You've got a better yes
And every no means You've got a better yes
Every "not now" gets me closer to its best
Believe and You'll be leading me to somewhere I'll be blessed
Every no means You've got a better yes
Oh-oh-oh-oh, oh-oh-oh-oh-oh-oh
(You've got a better yes)
Oh-oh-oh-oh, oh-oh-oh-oh-oh-oh

Find You

I don't know
What tomorrow holds
Except I will remain here in Your presence
When the days are tough
When the current's rough
But still I'll keep my head above the water

And I don't wanna hold back
You know I can't do that
Just wanna find You
Tell me how to find You
And I don't wanna slow down
I just wanna go now
I just wanna find You
Tell me how to find You
Tell me how to find You

[Verse 2]
When I hit the wall
When the curtain close
'Cause now [I'm facin' men here in the midway?]
And Lord, I'm done
With being numb
So I will fight for You until I feel
And I don't wanna hold back
You know I can't do that
Just wanna find You
Tell me how to find You
And I don't wanna slow down
I just wanna go now
I just wanna find You
Tell me how to find You
Tell me how to find You

[Bridge]
Oh, to find Your hope in every low
In every fear that says I won't
Oh, to find Your hope in every low
In every fear that says I won't
Oh, to find Your hope in every low
In every fear that says I won't
Oh, to find Your hope in every low
In every fear

[Chorus]
And I don't wanna hold back
You know I can't do that
Just wanna find You
Tell me how to find You
And I don't wanna slow down
I just wanna go now
I just wanna find You
Tell me how to find You

And I don't wanna hold back
You know I can't do that
Just wanna find You
Tell me how to find You
And I don't wanna slow down
I just wanna go now
I just wanna find You
Tell me how to find You
Tell me how to find You
